Dear Sir or Madam:

The Office of Sponsored Programs at Emory University is in the process of updating its program information files. I would appreciate receiving a supply of your available brochures and applications for all of your programs.

In addition, if available, please send a copy of your latest annual report, a list of recent awardees (including institutional affiliation, geographic location, etc.) and any additional information that may be pertinent.

Thank you in advance for your prompt attention to these matters. Should there be any questions regarding this request, please do not hesitate to contact me.

Sincerely,
